# 2016 Community Benefit Report

As a not-for-profit healthcare provider, Union Hospital, Inc. provides compassionate healthcare of the highest quality to residents of west central Indiana and east central Illinois, regardless of their ability to pay. We reinvest all excess revenues to:

- Provide state-of-the-art services such as advanced diagnostic imaging, telemedicine, sophisticated cancer detection and diagnosis, cardiovascular testing and more.
- Meet the needs of our rural residents through the Richard G. Lugar Center for Rural Health, the Clay City Center for Family Medicine, the Rural Health Innovation Collaborative (RHIC) and Union Hospital Clinton.
- Provide care and public health education to those in need through various support groups, RTS Bereavement Services, free community health fairs, events focused on better health and more.
- Further educate health professionals, strengthen community partnerships, economic development and advocate for community healthy improvements
