

## Sliding Fee Discount Program Application

### Plain Language Summary of Sliding Fee Discount Program Policy For Designated Sites\*

To meet the needs of the communities it serves and in recognition of its status as a nonprofit health care system, Union Health has established a Sliding Fee Discount Program Policy to provide financial assistance for eligible patients who are unable to sustain the burden of medical expenses due to limited income.

The Sliding Fee Discount Program Policy applies to ambulatory primary care services, including emergency medical services and medically necessary health care, provided at designated clinical locations. A list of the designated clinical locations may be found below. Services at other locations may be covered by a separate financial assistance policy (visit [www.union.health](http://www.union.health) for details).

Financial assistance under the Sliding Fee Discount Program is provided based on household income and family size. Generally, to be eligible for financial assistance, patients must have household incomes at or below 300% of the federal poverty guidelines. To be eligible for full financial assistance, with an allowance for a nominal fee, patients must have household incomes at or below 100% of the federal poverty guidelines.

Financial assistance may also be available in other limited circumstances, depending on the size of the patient's medical bills and whether the patient meets other criteria for eligibility.

Patients may apply for financial assistance by completing a Sliding Fee Discount Program Application. Copies of the application, as well as the Sliding Fee Discount Program Policy, are available at all patient registration sites or by visiting [www.union.health](http://www.union.health). Patients may also request free copies of the application and the Sliding Fee Discount Program Policy by calling the Union Health Public Benefits Department at (812) 238-7621 or writing Union Health, P.O. Box 3589, Terre Haute, IN 47803.

Persons seeking more information or needing assistance in completing the application may contact the Union Health Public Benefits Department at (812) 238-7621. A patient qualifying for financial assistance under the Sliding Fee Discount Program Policy with respect to emergency or medically necessary healthcare services will not be charged more than the amount generally billed for the same services to patients who have insurance covering such care.

Translations of the Sliding Fee Discount Program Policy, the Financial Assistance Application, and this plain language summary are available upon request.
