

The 2022 Community Baby Shower was relocated to the Haute City Center. This maternity-themed event brought together not only Union Health physicians and clinical team members, but an extensive list of community organizations for an overwhelming informative community event.

2022 Community Benefit Report

As a nonprofit health care provider, Union Hospital, Inc. provides compassionate health care of the highest quality to residents of West Central Indiana and East Central Illinois, regardless of their ability to pay. We reinvest excess revenues to:

- Provide public health education and care to those in need including free community events and educational seminars like the Community Baby Shower, diabetes and prediabetes support groups, childbirth and breastfeeding classes.
- Provide state-of-the-art services, such as advanced diagnostic imaging, telemedicine, sophisticated cancer detection and diagnosis, cardiovascular scans and more to expand our early intervention efforts.
- Meet the needs of rural residents through the Richard G. Lugar Center for Rural Health, the Clay City Center for Family Medicine, the Rural Health Innovation Collaborative and Union Hospital Clinton.
- Educate health professionals, strengthen community partnerships, foster economic development and advocate for community health improvements.
- Become the only Level III Obstetric and Neonatal provider within an approximate 80-mile radius.
